# A YEAR OF CHALLENGE A YEAR OF GROWTH

Mr. Richard Musgrave  
Administrator

In looking back over the 1985-86 year it has been a joy to once again have the privilege of investing in the lives of young people. This year's senior class has demonstrated an intensity in most new endeavors they have undertaken.

With this intensity I pray that each individual within the class of 1986 will see the Greatness of God contrasted with the Emptiness of life apart from God. There is much potential represented in these 22 seniors and as a staff we pray that they may be strong in the Lord ... putting on the full armor of God that they may stand firm against the schemes of the devil.

It is also our prayer that they never lose sight of the fact that their wrestle is not against flesh and blood but against principalities and powers of this sin-darkened world.

The choir was involved in a clinic in Albion and also attended the Grace Clinic in Omaha for two days. The choir spent time discussing goals and ways to obtain them, with the top goal to glorify Christ when singing. To quote Mr. Sawyer, "Each year is a new year for me ... in terms of this year the Lord has blessed us with numerous opportunities to sing for His Glory." A special thanks goes to Kayla for piano playing and accompanying the solos and groups.

This year's officers were Scott and Belinda. Thanks for your leadership.

"It's been a blessing to see the Lord working in choir member's lives as well as working through them to reach others."

#### COACH DOCKWEILER'S COMMENTS

Unity and attitude are far more important than skills and team tactics.

Volleyball is a lot more fun than football!

Teaching is a lot more difficult than it looks, thankfully it is also much more rewarding.

God is the only one big and willing enough to handle everyone's problems.

History is more interesting to me than it is to most people.

The Nebraska Christian basketball season opened with 17 young players welcoming first year Coach Bruce Boyle and his assistant, Coach Walt Hamilton to the court. Through practice and competition, the varsity team improved and ended their season with a win-loss record of 7-10. Coach Boyle commented, "We consider this a winning season as we see the program continue to build." With six seniors on the team, Coach Boyle was able to use senior talent for his starting five.

The following players led the team in scoring: Rance Dexter, 12.7 points per game average; Rod Swanson, 11.0 pga; Wayne Garrett, 8.76 pga; Rod Rowse, 8 pga; Brant Taylor 7.71 pga; and Russ Barnell, 1.8 pga.

Leading rebounders were Rance Dexter with an 11 game average and Rod Swanson with 10 rebounds per game average.

Lettering during the 1985-86 season are Russ Barnell, Chapman; Mark Binder, Table Rock; Rance Dexter, Gibbon; Dennis Fling, Ainsworth; Wayne Garrett, Central City; Paul McHargue, Central City; Rod Rowse, Burwell; Rod Swanson, Central City; Brant Taylor, Aurora and Chuck Wagner, Hooper.

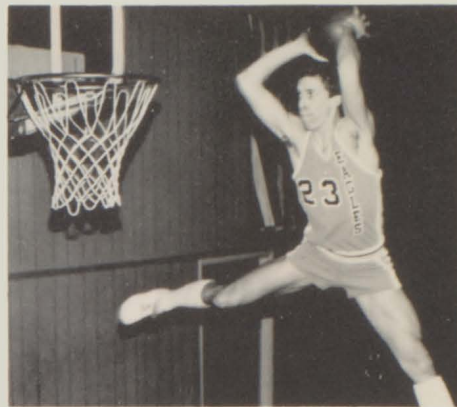

Coach Hamilton reports that the Nebraska Christian Junior Varsity players made good progress during the year, and that they learned many offensive and defensive techniques that will be helpful for next year. "The guys will not have a lot of experience, but will come to next year's varsity team with a lot of skills, a good defense, and winning attitude," commented Coach Hamilton.

## COACH'S CORNER

Each year appears a new and unique portrait painted by our students, staff, board, and our God.

I wondered, as I do every year, how would this senior class represent themselves in 1985-86? Many seniors came back with a commitment to God and a desire to be obedient to Him.

We also began this school year with a large turnover in our faculty which would cause one to consider the question, what might be in store for us? Along with this came some new people on our school board. A question I had was, what changes and directions would this school take this year? The picture was becoming very bright and colorful.

There was a dark area on our canvas when part of our N.C. family passed on to be with the Lord. We can rejoice with Connie but yet still feeling the pain of separation from her.

In November, our financial situation looked as bleak as it has for a number of years; and again we witnessed the faithfulness of God and His people.

As we, at N.C., added to the painting, it is very easy to see the Master Artist and Creator in each stroke as we look back. We know again, from experiencing this year together, the change that can take place by the touch of the Master's hand.
